

Reception Class Home Learning

W/B 22/06/20

Date	Challenge 1	Challenge 2	Challenge 3
<p>Monday 22nd June</p>	<p>Listen to the cautious caterpillar story. https://www.twinkl.co.uk/resource/t-l-526204-the-cautious-caterpillar-story-powerpoint</p> <p>Discuss the story together. How did Cody feel throughout the story? Can you think of time when you had to be brave? What can you do if you feel worried about something?</p>	<p>Make caterpillars of different lengths. Dip a finger in the paint and make your prints close together to look like caterpillars (or just draw.) How many body parts has he got? Count together and then talk about how many there would be if there was one more. Look at adding more, explore adding different amounts. How big is he now? For example, if we use the language of first, then, now. First he had 8 body pieces, then we added 2 more, now he's got 10!</p>	<p>Make an egg carton caterpillar! You will need: egg carton, scissors, paint, glue, pipe cleaner and googly eyes.</p> <p>https://www.youtube.com/watch?v=8FvZF7KigA</p>
<p>Tuesday 23rd June</p>	<p>Draw a picture of one of the characters from The cautious caterpillar story. In a large speech bubble next to the character, write something that you think the character might say. It could be a question or a statement.</p>	<p>Take another look at your caterpillars. How many body parts would there be one less? Can you make a caterpillar that is 3 less? Paint or draw yourself some more caterpillars.</p>	<p>Caterpillar to butterfly life cycle. Can you draw a life cycle of a butterfly and write a label too? https://www.twinkl.co.uk/resource/t-l-526348-the-cautious-caterpillar-life-cycle-of-a-butterfly-powerpoint</p>
<p>Wednesday 24th June</p>	<p>Draw sound buttons - sausages [_] and beans [.] under these 'ai' words.</p> <p>wait Gail hail pain aim sail main tail rain bait maid again chain snail train</p>	<p>Have a look at the caterpillar. On quite a few of his body parts he has 2 little legs. Can you create some doubles with your caterpillars. You could draw on his legs! Count how many body parts and double it to get the legs!</p>	<p>What am I? - Give the children clues and see if they can guess which animal is being described. https://www.twinkl.co.uk/resource/t-l-526327-the-cautious-caterpillar-what-am-i-powerpoint</p>

	Now press the sound buttons as you sound out each word to read them.		
Thursday 25th June	<p>Use the magnifying glass to spot the tiny, tricky words in a picture. Colour in each word you have recognised.</p> <p>https://www.twinkl.co.uk/resource/t-t-27512-phase-2-and-3-tricky-words-magnifying-glass-activity-minibeasts-scene-activity-sheet</p> <p>Phase 2 tricky words (I, no, go, the, to, into).</p> <p>Phase 3 tricky words (he, she, we, me, be, my, was, her, you, are, all, they)</p>	Can you make your caterpillars to look a bit like our number lines at school! Draw your caterpillars with numbers in correct order like our number line but start at different numbers! Try complete your caterpillars counting back too!	Another cosmic kids yoga adventure - The very hungry caterpillar. https://www.youtube.com/watch?v=xhWDiQRrC1Y
Friday 26th June	<p>Caterpillars are always hungry! Female lay their small, green eggs on a range of species, such as nettles and mallows, but thistles are the general favourite. With a grown-up, go for a walk around a garden or park. Have a carefull look near some prickly thistles, stinging nettles (be careful not to touch them as they will sting or prick you), mallows or some beautiful flowers and see if you can find any caterpillars or butterflies. You could draw a picture or take a photo of any you see.</p>	<p>Over the past few weeks we have learned a lot about minibeasts. Can you continue our patterns and then draw your own.</p> <p>https://www.twinkl.co.uk/resource/roi-n-5540-minibeasts-complete-the-pattern-activity-sheet</p>	<p>Minibeasts and their habitats - Co through the powerpoint and talk about where minibeasts live and why. Can you find any of these places in your garden or on walk?</p> <p>https://www.twinkl.co.uk/resource/wl-minibeasts-and-their-micro-habitats-powerpoint</p>
